Shaan Seet Inc.

Quarter No. 2 | May 2020

Annual Meeting 2020

The record date for this year's Annual meeting will be July 10, 2020 at 4:00 p.m.

That is the last date to make changes to stock, name, or address information.

Please email execsecretary@shaanseet.com with any questions.

Response to COVID-19

The Corporate office is currently closed to the public. If you need to pay rent, request paperwork, etc. please do so by calling (907) 826-3251 or emailing execsecretary@shaanseet.com

Proxy Packets

For the purpose of voting for the upcoming Board of Director seats (3), the proxy and Annual meeting packets will mailed out to all Class A shareholders on July 21, 2020.

POW Weather Station

The very first TSCAN project in Alaska is on our Shaan Seet property! More information on the next page.

Response to COVID-19 Continued

During the week of March 23rd, 2020 our office staff distributed goodie bags (pictured above) to our shareholders and community members during this time of need. They were made up of left over supplies from our Sunnahae hotel; bars of soap, lotion, mouth wash, etc. All left over bags were delivered to shareholder's houses in Craig, Klawock, and Hydaburg.

Tribal Weather Station

Climate in Alaska is experiencing accelerated changes never witnessed in our history. POW-TDC was selected for a Tribal Soil Climate Analysis Network, or "TSCAN" Project. Air temperature, humidity, precipitation, solar radiation, wind speed & direction, soil temperature & moisture are all monitored with this project. Only 24 were deployed across the US.

myshaanseet.com

With the COVID-19 virus being spread amongst Alaska, our online shareholder portal is the quickest and easiest way to update any of your shareholder information. You can change your address, banking, and contact information that manually updates our system. Email or call our executive secretary if you need assistance.
