Honoring Elizabeth Peratovich

On February 16th, we celebrated Elizabeth Peratovich Day. A vocal and effective advocate for Alaska Natives, Ms. Peratovich has been widely credited for the passing of the Anti-Discrimination Bill in 1945. This bill would be passed almost twenty years before Congress would pass the Civil Rights Bill. It's said that the way Ms. Peratovich presented her testimony, describing children's feelings when refused entrance to businesses, or the inability to purchase homes in desired neighborhoods, humanized her experience with discrimination and swayed the Alaskan Senate. She also, famously, threw a senator's words in his face when he called her a savage. Due to her bravery and courage, Alaska became the first territory that banned discrimination in public spaces. In 2020, Ms. Peratovich was honored with her likeness on the dollar coin. So let's honor and celebrate those elders that came before and worked tirelessly so their decedents could have their basic rights.

Sunnahae Hotel Updates

We're happy to announce that Sunnahae Hotel will open April 1, 2021 in preparation for the upcoming season. Our cabins have remained open year round, but we're excited to have our hotel back in operation. Precautions will be taken to ensure the safety of our guests and staff.

A Letter from the President

Dear Shareholders,

I hope this letter finds all of you well. I know 2020 was something that none of us could have planned for. Nonetheless, we all made the most of it.

In the strategic plan, the Board of Directors chose to focus on three main areas:

- Upgrades to existing infrastructure. (Trailer Park water, sewer, and power)
- Using the empty lot by the office to build three high-end duplex houses.
- Developing new area for False Island Storage. (Including power)

I think all three projects will provide substantial value to all of our shareholders for years to come. We'll have more updates on these projects throughout the year.

Best,
Ed Douville
President/ General Manager

Happy Birthday to the Oldest Living Haida!!

This past February, Fred Hamilton Sr. celebrated his 100th birthday, making him our oldest shareholder and the world's oldest living Haida. His years of dedication to the community of Craig were apparent when a whole parade of cars and visitors showed up to celebrate his big day. The City of Craig joined in by naming February 2, 2021 Fred Hamilton Sr. Day.

Fred has long been a proponent of honoring his Haida heritage and traditions. He has stated how important it is to respect our ancestors and not be ashamed of our culture and the rich history that is a part of being Haida.

He's received many birthday cards from near and far, but if you haven't wished him well, Fred is still accepting mail at: P.O. Box 127, Craig, AK 99921.
