

Job Announcement Maintenance Tech

Are you a hard worker with basic carpentry and maintenance skills? Do you enjoy groundskeeping, painting and fixing things? Shaan Seet may have a job for you.

Shaan Seet, Inc. is an Alaskan Native Village Corporation located in Craig, Alaska. We have 625 shareholders, over 100 tenants between our trailer court and other rentals, a boat storage yard, a growing rock business and a thriving hotel. Shaan Seet is governed by a community minded, 7-member Board of Directors. You would be an important addition to our maintenance team. We all pull together to get keep the corporation running smoothly and there's seldom a dull moment, which makes the job challenging and fun.

As Maintenance Tech, you would be in charge of keeping Shaan Seet's commercial and residential properties looking and functioning well. Your primary duties would be groundskeeping at Shaan Seet's properties in the Craig area and basic maintenance, such as painting, pressure washing, fixing things. You will need to be able to climb ladders and lift 50 lbs.

If you think you're the right person for this job, there's a complete job description available for your review on our website, www.shaanseet.com. Feel free to call the office (907) 826-3251 with any questions you may have. The next step is to fill out an employment application (also available online) and send it to us with a cover letter and resume to contact@shaanseet.com.

Job Status: Full-time Temporary, April through September with possibility of full-time permanent in the future.

Work Hours: 8am – 4pm, Monday – Friday

Wage: DOE

We're looking forward to hearing from you!
